

Customs Act 1901 – Part XVB

ANTI-DUMPING NOTICE NO. 2018/53

Steel rod in coils

Exported from the Republic of Indonesia, the Republic of Korea and the Socialist Republic of Vietnam

Termination of Investigation

Public notice under subsection 269TDA(15) of the Customs Act 1901

On 7 June 2017 I, Dale Seymour, the Commissioner of the Anti-Dumping Commission, initiated an investigation into the alleged dumping of steel rod in coils (the goods) exported to Australia from the Republic of Indonesia (Indonesia), the Republic of Korea (Korea) and the Socialist Republic of Vietnam (Vietnam), following an application lodged by OneSteel Manufacturing Pty Ltd (now trading under the business name Liberty OneSteel) (OneSteel) under subsection 269TB(1) of the *Customs Act 1901* (the Act).

Public notice of my decision to not reject the application and to initiate the investigation was published on the Anti-Dumping Commission's (the Commission) website on 7 June 2017. The Anti-Dumping Notice (ADN) is available at www.adcommission.gov.au.¹

As a result of my investigation, I am satisfied that:

- the goods exported from Indonesia by PT Ispat Indo were dumped but by a margin of less than 2 per cent, and therefore I have terminated the investigation in accordance with subsection 269TDA(1) in so far as it relates to PT Ispat Indo;
- the goods exported from Vietnam were not dumped, and therefore I have terminated the investigation in accordance with subsection 269TDA(1) in so far as it relates to Vietnam;
- there has been dumping of the goods by all other exporters from Indonesia and all exporters from Korea, but the injury, if any, to the Australian industry that has been, or may be, caused by that dumping is negligible and, therefore, I have terminated the investigation in accordance with subsection 269TDA(13) of the Act so far as it relates to all remaining exporters.

Termination Report No. 416 (TER 416), which sets out reasons for the termination decision including the material findings of fact or law upon which the decision is based, has been placed on the Commission's public record at www.adcommission.gov.au.

¹ ADN No. 2017/79 refers.

In making the decision to terminate, I have had regard to OneSteel's application, submissions from interested parties in the course of the investigation, *Statement of Essential Facts No. 416* (SEF 416), submissions in response to SEF 416, and other relevant information as set out in TER 416.

The applicant may request a review of this decision to terminate the investigation by lodging an application with the Anti-Dumping Review Panel in the approved form and manner within 30 days of the publication of this notice.

Enquiries about this notice may be directed to the case manager on telephone number +61 3 8539 2409 or email at Investigations1@adcommission.gov.au.
