RE: Anti-Circumvention and Scope Inquiries of Certain Hardwood
Plywood Products from the People's Republic of China

SUBJECT: Second Extension of Deadline for Issuing the Final Determinations

On June 17, 2020, the Department of Commerce (Commerce) published the initiation notice in the anti-circumvention and scope inquiries of the antidumping and countervailing duty orders on hardwood plywood products from the People's Republic of China.¹ On March 11, 2021, pursuant to 19 CFR 351.302(b) of Commerce's regulations, Commerce extended the deadline for issuing the final determination in these anti-circumvention and scope inquiries until August 24, 2021.²

Commerce needs additional time to issue and analyze questionnaire responses and comments from interested parties, issue the preliminary determinations, perform procedures to verify respondents' questionnaire responses, allow parties an opportunity to comment on the preliminary determinations, and analyze and respond to any issues that parties may raise in response to the preliminary determinations, prior to issuing the final determinations in these anti-circumvention and scope inquiries. Accordingly, and in accordance with 19 CFR 351.302(b), we are hereby extending the deadline for issuing the final determinations in these anti-circumvention and scope inquiries until **April 20, 2022**.
