**RE:** Antidumping and Countervailing Duty Investigations of Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules, from Cambodia, Malaysia, Thailand, and the Socialist Republic of Vietnam

**SUBJECT:** Extension of Scope and Rebuttal Comment Deadlines

To All Interested Parties:

On May 24, 2024, the U.S. Department of Commerce (Commerce) received a letter from JA Solar USA Inc. and JA Solar Vietnam Company Limited (collectively, JA Solar), requesting a 14-day extension of time to submit scope comments in the above-referenced investigations.<sup>1</sup> The current deadline for the submission of scope comments is June 3, 2024, and rebuttal comments are due on June 13, 2024.<sup>2</sup>

Commerce has evaluated JA Solar's request for an extension of time for filing scope comments. Based on the reasons outlined in JA Solar's letter, we are extending the deadline for submitting scope comments and rebuttal by seven days. Accordingly, **for all interested parties**, scope comments are now due no later than **5:00 PM Eastern Time on June 10, 2024**, and rebuttal comments are now due no later than **5:00 PM Eastern Time on June 20, 2024**.

If you have any questions about this matter, please contact Drew Jackson at (202) 482-4406 (drew.jackson@trade.gov).

Sincerely,
