Analysis of Subsidy Programs and Comments Received

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ The subsidy programs under review, and the issues raised in case and rebuttal briefs submitted by the interested parties, are discussed in the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, and for the reasons explained in the Issues and Decision Memorandum, we made modifications to Dongkuk Steel Mill Co., Ltd.'s calculations for these final results of review.

Final Results of Administrative Review

We determine the following net countervailable subsidy rates for the period January 1, 2022, through December 31, 2022:
